Prestige

Prestige Parfums is a creator and manufacturer in pure French tradition since 40 years. Established in Paris in 1978, Prestige is operating on a global basis, over the 5 continents through affiliates, joint-ventures, agents or specific and direct local distribution networks.

With more than 95% of its turnover performed in the export business, Prestige is a truly international company which is totally oriented on market, product and consumer.

Prestige is a leading company offering: Creativity, Innovation, Professionalism as well as Flexibility. Several decades of experience and success in the field of international trading (with many international export and prestige awards). A wide, diversified and successful portfolio of products.

Products specifically created and designed to clearly target different types of countries, markets and consumers.

Suppliers thoroughly selected according to products configuration and technicality. A supply chain strictly monitored. Products carefully manufactured with the same close attention to details in Prestige factory

Prestige Parfum est fabricant de parfums dans la pure tradition française depuis 40 ans. Fondée à Paris en 1978, la société PRESTIGE n'a cessé depuis lors d'opérer sur le marché international sur les 5 continents, au travers de filiales, de joint-ventures, d'agents ou en direct par le biais de réseaux de distribution locaux.

Réalisant plus de 95% de son chiffre d'affaires à l'export, PRESTIGE est une véritable société internationale dont les activités sont orientées et centrées sur le trinôme marché/produit/consommateur.

La vision de Prestige, la vision d'un leader : offrant Expérience, Créativité, Professionnalisme ainsi que Flexibilité et Adaptabilité. Plusieurs décennies d'expérience et de réussite sur le marché international (couronnés par de nombreux prix internationaux). Un portefeuille de produits large et diversifié.

Des produits spécifiquement pensés, créés et réalisés pour cibler clairement différents pays, types de marchés et de consommateurs.

Des fournisseurs soigneusement sélectionnés selon la configuration et la technicité des produits. Une chaîne d'approvisionnement parfaitement contrôlée.

Des produits soigneusement élaborés et assemblés dans l'usine Prestige.

With the world-renowned talent and audacity to grasp and magnify the rare materials, Prestige Parfums introduces you its new range of fresh and sensual signature collection.

Crafted from the myriad of natural and raw resources, the new collection gives the sensory combination of contemporary fragrances. The fresh and moist aroma is combined with the richness of its source to produce an enchanting aura.

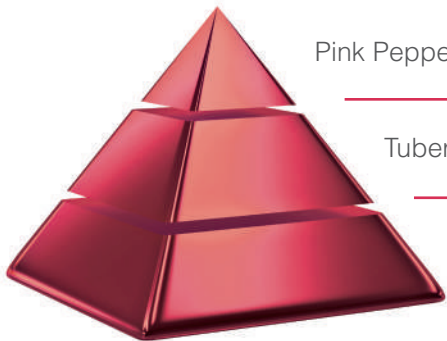

Infused with a subtly sweet and clean, warm and vibrant fragrance, the products not only indulges the hearts in its essence but creates memories that are remembered forever.

It's a perfect choice for all the essence lovers!

Every product is thoughtfully produced and surprisingly unique to the last detail for the flawless execution.
